

June 3, 2011

To Mayor Suzanne Atwell and Sarasota City Commission:

At the May Board meeting of the Downtown Sarasota Alliance it was unanimously agreed to support the City Commission's decision to temporarily remove the benches from Selby Five Points Park. We urge you to maintain this policy until such time as a solution is arrived at to prevent recurrence of the previously unacceptable situation involving street people at the park.

Sincerely,

Eileen Hampshire, Chair  
Board of Directors
