

# Navigating the Digital Age with Your Digital Native

## *Ten Considerations for Today's Parents*

- Digital Usage is not a one-time conversation.
- Technology is not a fad.
- Be approachable.
- Talk through scenarios with your kids.
- Safeguards do not equal safe kids.
- Threats do not always work.
- Stay current on what the latest apps are.
- Freedom within expanding limits.
- Observe your child's internet habits.
- Encourage discussion and real world engagement.
